IN THE SUMMER

Come and see what God has done; He is awesome in His deeds toward the children of man.

- Psalm 66:5

We hope you has as much fun this summer as we did. I would like to share some of the highlights of our summer program.

- Art Week - Our young artists created art with their impressions of Picasso and Monet.
- Science Week - We did experiments like milk explosion and polka dots and color blots.
- Camping Week - We took our rest time sleeping in a huge tent.
- VBS Week - We heard some inspirational bible verses and made pennants for God's Team.
- Cooking Week - We made empanadas and included in this newsletter one of our recipes Razzapple Squares.
- Christmas in July Week - We made reindeer ornaments and decorated Christmas trees.
- Olympics Week - We played flyswatter hockey and paper plate discus throw.

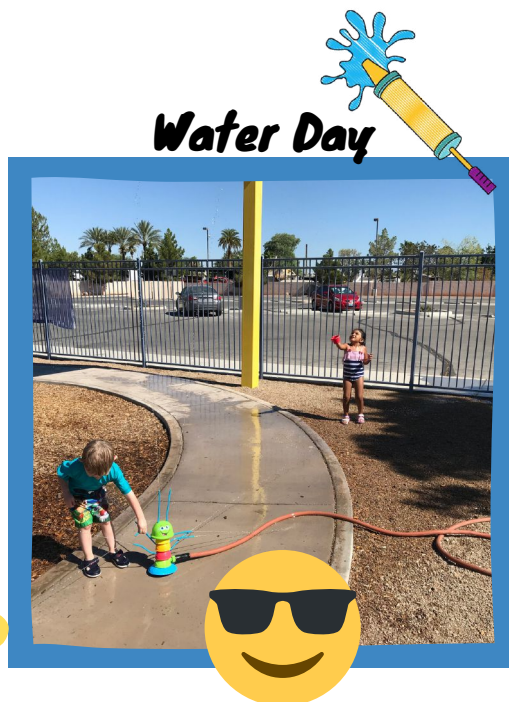

Of course we had our ever popular Friday Water Days, each week. Now we are getting ready for an exciting new school year.

Yours in Christ
