HAPPY MOTHER'S DAY!

See that you do not look down on one of these little ones. For I tell you that their angels in heaven always see the face of my Father in heaven. - Matthew 18:10

May, what a great month! The weather is getting nicer. Flowers are blooming and another great American holiday; Mother's Day!

When you become a mother you learn quickly how to multi-task. From the time you wake up, that is if you slept, you are a chef, a detective finding missing socks or shoes. A maid, a negotiator and a nurse. You are a chauffeur, a coach and a cheerleader. The more children, the bigger the work load. My mom had four of us. We are all grown with families of our own. Yet we still go to mom for encouragement, comfort, and advise.

God has truly given us a great responsibility, along with a great gift. I have one son, Brett; he is now 32 years old. I love him very much and I am very proud of the man and father he has become. Yet there is someone who loves him even more than I, Jesus. As a mother you can't even imagine a love that can be greater than yours for your child and yet there it is.

God has entrusted us with a very important job; nurturing an eternal soul.

Happy to be a mom
