

# SGCP NEWS

OFFICIAL NEWSLETTER OF ST. GABRIEL CATHOLIC PRESCHOOL  
OCTOBER 2018

## WE JUST KEEP GROWING!

We would like to welcome our new friend Magnus. We will also be making another birthday cake. Happy Birthday Noel!

This is such a lovely time of year! Only God could paint the world with such passion.

The children are in a routine, friendships are forming, and they actually look forward to coming to school. The best part is that we as teachers share the love of our Lord with our little ones. But also they are sharing that love with family and friends. Some of the things we have been working on, we have been busy recognizing the letters Aa Bb Cc Dd and Ee and the sounds of these letters. We have been sorting, classifying and patterning. Be sure to read our journal entries in our lobby area. We are also beginning to write our names. Miss Christina is doing a fabulous job teaching Spanish to our preschoolers.

Yours in Christ,  
"Miss" Pam

## REFERRALS

Are you aware of our referral program? For every family you refer to our preschool and register you are eligible to receive a one month FREE credit of equal or lesser value. So as always - What happens at SGCP isn't meant to stay at preschool. So please tell your friends, family, and co-workers. Like and share us on Facebook and Yelp.

## **\*\*UPDATE\*\***

## ALPHABET FOOD DRIVE

I would like to update and thank the children for bringing in food by the letters. So far we have collected and delivered one box of food with letters A, B, and C. We are now collecting non perishable food letters F, G, and H. Letter E was challenging, I was very impressed when a couple of children brought in evaporated milk! Let's see what comes in for F, G, and H!

Open your eyes look at the fields that are ready for harvesting now.

- John 4:35
